Grand Knights Message -

There are some new faces in our council as we begin 2016. Last month Tony Glenboski transferred into our council after moving into the area from Alabama. Tony has already been helping out and we are looking forward to seeing more of him. At this month's meeting we had two more Knights transfer into our council. Mike Sydow is a retired Mercury Marine engineer who moved from the Fond du Lac area to a home near Cascade and is looking forward to getting involved. Ed Lenn, already known by a few of our Knights, used to be in the Sheboygan council but lives just north of Plymouth and has joined us. Finally, Matt Garni completed his First Degree ahead of our January meeting after expressing an interest in the Knights at last year's stewardship fair in April. The addition of these new Knights made for a busy meeting room Tuesday night but we were glad to have them with us. I am sure they will get to know more knights as activities come along like the free throw contest on the 30th and the brat fry on the 31st. Anyone interested in helping at these two events who has not already signed up can contact Greg Grimes 838-2564 or John Pfankuch 893-9592.

Fraternally yours,
John Pfankuch
Grand Knight, Council 1789
