Grand Knights Message -

Speaking generally, our Knights of Columbus council is two things: it is a charitable group where we give of our time, talents and treasure and it is a social group where we enjoy each other's company. During most of our events we have fun while helping out but this weekend seemed to really combine the two goals.

During Saturday's free-throw contest there were lots of chances to talk, watch the kids enjoy themselves and even shoot some baskets if that is your thing. You can't help but have fun when surrounded by kids who are excited and doing something they like. It didn't feel at all like a chore.

Sunday at the brat fry was also surprisingly fun. It seems like one of the reasons is that we ended up with more volunteers than we have used in the past. Instead of 22 people helping out, we had 28. So many Knights volunteered and so many of their wives pitched in as well that there was more time to visit instead of always being too busy to stop. There were many comments from Knights after the event that they had a nice time meeting other Knights and talking with everyone who came in to eat.

We have the first of two fish fries coming up February 19th and the second is on March 11th. Let's see if we can make it three events in a row where we experience both the charity side of our group and the social side.

Fraternally yours,
 John Pfankuch
 Grand Knight, Council 1789

Message from Medjugorje January 25, 2016 -"Dear children! Also today I am calling all of you to prayer. You cannot live without prayer, because prayer is a chain which brings you closer to God. Therefore, little children, in humility of heart return to God and to His commandments so that with all of your heart you are able to say: as it is in Heaven so may it be on earth. You, little children, are free to in freedom decide for God or against Him. See where Satan wants to pull you into sin and slavery. Therefore, little children, return to my heart so that I can lead you to my Son Jesus who is the Way, the Truth and the Life. Thank you for having responded to my call." 01/25/16
