Grand Knights Message -

You may have noticed that May has been a quiet month for our council. After a busy April with a fish fry, highway cleanup, Ushering at Holy Hill attending our state convention and our annual drive to help those with intellectual disabilities, we slowed down for a while. This pause seems appropriate because the next event will be the election of our next group of council officers. They were nominated at our May meeting, will be officially elected into their positions at our June meeting and will be installed at our officer installation ceremony sometime around the end of June or in July. Some positions like our Recorder, Lecturer, Treasurer, Warden, Inside & Outside Guards will remain the same. Several of our top positions will change however. Frank Kozlowski will take over as Grand Knight with Tre Waldren assisting him as Deputy Grand Knight. We are also getting a new Financial Secretary in Ed Lenn as Bill Hand has chosen to step down after many years of supporting the financial side of our council. While our council will continue being involved with charitable activities I'm sure we will see a few changes as the new leadership takes on its unique personality. Now is also the time to speak up if any Knights have ideas for how our council could grow or new ways to help those in our parish and community. This council always reflects the ideas, beliefs and priorities of our members and this new leadership will continue with that, I'm sure.

Fraternally yours,
John Pfankuch
Grand Knight, Council 1789
