Grand Knight's Message:

Brother Knights;

On November 1, Council members and their wives attended mass at Saint John the Baptist to celebrate "All Saints' Day" which is a solemn holy day of the Catholic Church dedicated to honor the Saints of the Church, who have attained heaven. After mass, we all moved to our meeting room to have a short 40-minute meeting. During this meeting, we discussed the successful Church membership drive chaired by John Pfankuch which was held the prior two weeks. The drive was at both churches and many of our Brother Knights maned all doors for all masses. For those who helped I wish to "THANK YOU" as membership is very critical to the health of our organization. To all Brother Knights your assistance in obtaining new members is always appreciated and it's needed.

December 6th, we will have an Admission Degree (old 1st Degree) starting at 6:30 pm sharp. All members are welcome. Reminder to the Degree Team members please plan to meet around 6:00 PM to help set up the meeting room.

Recently I received a phone call from the Supreme Knight Carl A. Anderson who reminded all Brother Knights to pray as Catholic Men, study the issues, and vote as your heart tells you. This is not just for the main election but for all up and coming elections. We are to vote as Catholics and support the teaching of Jesus and Mary.

May the hand of Jesus be placed on you and your family hearts to help heal us, to guide us and to provide the strength to live our lives as his Father and Mother would want us to.

Chaplains Column

Brother Knights and Families,

November has many themes. We began with All Saint's Day and All Soul's Day. Veterans Day is November 11th. And we end with Thanksgiving Day on November 24th. Remember the Ladies Auxiliary Holiday Craft event on November 19th. Let's remember to pray for the safety and "sportsperson ship" of all the deer hunters.

This history of All Soul's Day is from a variety of internet sources. Historically, the Western tradition identifies the general custom of praying for the dead dating as far back as 2 Maccabees 12:42-46. The custom of setting apart a special day for intercession for certain of the faithful on the 2nd of November was first established by St. Odilo of Cluny (d. 1048) at his abbey of Cluny in 998. From Cluny the custom spread to the other houses of the Cluniac order. The celebration was soon adopted in several dioceses in France, and spread throughout the Western Church. It was accepted in Rome only in the fourteenth century. While November 2nd remained the liturgical celebration, in time the entire month of November became associated with prayer for the departed.

The importance of All Souls Day was made clear by Pope Benedict XV (1914 – 22), when he granted all priests the privilege of celebrating three Masses on All Souls Day: one for the faithful departed; one for the priest's intentions; and one for the intentions of the Holy Father.

We all know the history of Thanksgiving Day, so I am not going to repeat it. I believe this prayer summarized the real meaning of Thanksgiving Day. Perhaps you can use it with those you are with Thanksgiving Day or that week-end.

A Thanksgiving Prayer

Oh, God, when I have food, help me to remember the hungry;

When I have work, help me to remember the jobless;

When I have a warm home, help me to remember the homeless;

When I am without pain, help me to remember those who suffer;

And remembering, help me to destroy my complacency and bestir my compassion.

Make me concerned enough to help, by word and deed, those who cry out for what we take for granted.

-Samuel F. Pugh

May you have a Blessed Thanksgiving
Fr. Dick
