Grand Knights Message: – March 2017

Brother Knights;

Greetings, February continued to be busy with a very successful Brat Fry held at the Piggly Wiggly in Plymouth. Thanks to Gerry Brunner our "Brat Master" and all fellow Knights that took the time to help. The remainder of the month time was taken off for further preparation for our next brat fry, the job, and other future K of C activities. But most of all we all need to take some time off to be thankful for what we all have and what God has provided to us. I have seen recently how the power of prayer can be very powerful and the healing of the sick. We must all try to understand our roles and how we can help our fellow neighbors. We all know that the roadmap of life sometimes can be a challenge and trying to understand what our Lord has laid out for us can be trying. Sometimes it has may twist and turns, hopefully in all our lives the next turn is the correct one.

I would like to say thank you for Tre Waldren for running our March meeting.

Congratulations to Gerry Brunner for being name the Knight of the Month for February

Chaplains Report -

From Fr. Dick as read by Tre: Lent is not a time to give up but to do something for your entire life, such as understanding a person better, forgiving, loving, doing something that allows us to overcome the passion of our pride and distraction it creates interfering with our ability to listen to and follow the teaching of Jesus, by overcoming our addiction, anger, loneliness or other impediment to finding God as a loving provident Father.

Monthly Message From Our Lady

"Dear children! Today I am calling you to profoundly live your faith and to implore the Most High to strengthen it, so that winds and storms cannot break it. May the roots of your faith be prayer and hope in eternal life. Already now, little children, work on yourselves in this time of grace, wherein God is giving you the grace - through renunciation and the call to conversion - to be people of clear and persevering faith and hope. Thank you for having responded to my call." 02/25/2017
