Grand Knights Message: – May 2017

Brother Knights;

During the month of April 1789 Council members were again very busy. On April 15th our Council hosted the Holy Saturday's Ceremonial Fire at SJB, Ushered at Holy Hill, Highway 57 Clean-up, numerous committee meetings were held for the Harold Meyer Scholarship recipient selections, and the State Convention was attended by your Deputy Grand Knight Tre Waldren and myself. The year's convention overall theme was on Building the Domestic Church, Membership, and Pope Francis's Proclamation of 2017 being the Year of Mercy.

Congratulation to our Council for receiving the GOLD Award for our outstanding History Book. We owe Bill Rusch many thanks for all the many hours he puts into assembling such a masterpiece. When you see him please say Thank You! Our Council 1789 also received the Division 2 Program Activity Champion Award for number of activities that we are engaged in throughout the year.

At the June 6 meeting we will visited by our new General Knight of Columbus Insurance Agent Jerome J Pickett. He will be here to meet our council and answer all your questions on insurance.

Chaplains Column

Brother Knights and Family,

May is dedicated to Mary. Her feast on May 13th, as Our Lady of Fatima is very significant. It is the 100th Anniversary of her appearance to Lucia, Jacinta, and Francisco. My Chaplain's report has part of a homily given by Supreme Chaplain Lori at Fatima in March of 2015. He states:

When Our Blessed Mother appeared to the three children, Europe was engulfed to the conflagration of world war. At the time it was thought to be the war to end all wars, but through these three youth, Our Lady of Fatima warned the world that another unimaginably violent war was in the offing. So also, through her, the world was warned of the dictatorships that would foment world-wide violence, most especially Stalinist Russia.

We need to ask for Our Lady's intercession for the world today --- a world that faces new and massive threats with the rise of radical Islamic jihadist groups like ISIS on the one hand, and the rise of anti-religious secularism on the other. In the Middle East, innocent people are being beheaded because they are Christians, while in the West, Christians are giving up on their faith and joining the ranks of those who deem religion as either irrelevant or dangerous. On the other side, we see widespread apostasy and, in its wake, the steady loss of religious freedom. Let us earnestly beseech Our Lady of Fatima to intercede for us so that we might stand in solidarity with persecuted Christians by evangelizing, by spreading the Gospel of Jesus, in which the truth about human dignity and freedom is fully revealed.

I pray that Our Lady of Fatima will open our eyes more widely to the glory of God shining on the face of Jesus, a light brighter than that of the sun, the light of truth and love for each we were created. Our Lady of Fatima, pray for us!

Fr. Dick

Monthly Message From Our Lady

"Dear children! Love, pray and witness my presence to all those who are far away. By your witness and example, you can draw closer the hearts that are far from God and His grace. I am with you and intercede for each of you so that, with love and resoluteness,

you may witness and encourage all those who are far from my Immaculate Heart. Thank you for having responded to my call."
