On US Highway 45 near Oshkosh the Knights of Columbus State Officers and Council 614 from Our Lady of Lourdes Oshkosh is building the first Wisconsin Knights of Columbus State Monument for the Unborn. The monument will be visible 24 x 7. All councils have been requested to donate funds to help build the monument.

Our Council is starting a New Initiative Degree Project named “Drive Toward Home” which for all you members that are currently a **FIRST** or **SECOND** degree we need you to please reach into yourself and take the steps to move toward the 3rd degree ranks. 40% of our Council members are still FIRST or SECOND degree. In closing please continue to pray for those who are sick. The *POWER* of prayer does work miracles. I am sure many of us have personal examples of how the strength of prayer and the will of our Lord the sick is healed.

May the Lord keep you safe.

Vivat Jesus

Chaplains Column

June is dedicated to the Sacred Heart of Jesus. As we celebrate the feast on June 23rd, let us reflect on this question? How well do we reflect the overwhelming love and forgiveness of Jesus in our daily actions?
 June is the beginning of the slower summer months. School is out, many people go on vacation, the Council does not have many activities.

FATHER’S DAY PRAYER

God our Father, you govern and protect your people and shepherd them with a father’s love.
 You place a father in a family as a sign of your love, care and constant protection.
 May fathers everywhere be faithful to the example shown in the scriptures;
 steadfast in love, forgiving transgressions, sustaining the family, caring for those in need.
 Give your wisdom to fathers that they may encourage and guide their children.
 Keep them healthy so they may support a family. Guide every father with the Spirit of your love
 that they may grow in holiness and draw their family ever closer to you.

Amen

SUMMER PRAYER

Father, Creator of all, thank You for summer! Thank You for the warmth of the sun.
 Thank You for the beauty I see all around me and for the opportunity to enjoy Your creation.
 Thank You for the increased time I have to be with my friends and family, and for the more casual pace of the summer season.

Draw me closer to You this summer and always! Teach me how I can pray no matter where I am or what I am doing. Warm my soul with the awareness of Your presence and light, my path with Your Word and Counsel, Truth and Wisdom. As I enjoy Your creation, create in me a pure heart and a hunger and thirst for You.

Amen

Save this Summer Prayer, take it with you wherever you camp, fish, bike, hike or exercise. Pray it with the entire family. Have a wonderful summer!

Fr. Dick
