CHAPLAINS COLUMN

Wishing you a most Blessed New Year. May it be filled with meaningful prosperity and happiness, good health, and success in keeping your New Year's resolutions. Most resolutions are made to accomplish a healthy lifestyle, (dieting and exercising), financial savings or improving some relationships. Seldom does one make a resolution centering on one's vocation to be a better Catholic or Christian. May this "Holiness" Prayer help as to be a better follower of Jesus.

HOLINESS

(Fr. John Catoir, Director of the Christopher's, N.Y. N.Y.)

Holiness is not something that comes from doing good; we do good because we are holy.

Holiness is not something we acquire by avoiding evil; we avoid evil because we are holy.

Holiness is not something that follows from prayer; we pray because we are holy.

Holiness is not the result of kindness; we are kind because we are holy.

Holiness is not something that blossoms when we are courageous; we are courageous because we are holy.

Holiness is not the result of character building; we build character because we are holy.

Holiness is not a gift we obtain after a lifetime of service; we give service because we are holy.

Our holiness is God with us, Emmanuel. And while it's true that holiness carries with it both the Cross and Resurrection, it is more a gift than a reward.

God be with you

Fr. Dick
